

Westlands Medical Centre- We are open

Due to the current COVID-19 pandemic the practice is currently facing extremely high demand for its services. We want to keep our patients and staff safe during this time.

If you have spoken to a clinician, and it has been agreed for you to come to the Practice for an appointment, please return to your vehicle and call us on 023 92 377514 to let us know that you have arrived. We will check you in and a member of the team will come and collect you.

If you need to see a GP urgently, please call us on 02392 377514 to arrange a telephone consultation with a clinician, in the first instance.

For a routine appointment, please use our Non Urgent Healthcare Request Form on our website: www.westlandsmedicalcentre.nhs.uk.

If you do not have access to a computer, please call us on 023 92 377514.

We appreciate your support in these difficult times.

Thankyou
