

Westlands Medical Centre

WE ARE OPEN

Due to the current COVID-19 pandemic the Practice is currently facing extremely high demand for its services. We want to keep our patients and staff safe during this time.

If you have spoken to a clinician and it has been agreed for you to come to the Practice for an appointment please go to the main Practice door and press the doorbell. Our Patient Liaison Officer will meet and bring you into the building. We would ask that you wear a face covering.

For urgent healthcare needs please complete the **'Urgent Appointment or Healthcare Need'** form. For routine healthcare needs please complete the **'Non-Urgent Appointment or Healthcare Need'** form, both of these forms can be found on the opening page of our website www.westlandsmedicalcentre.nhs.uk

For anyone without online access, please call us on 023 92 377514.

We appreciate your support in these difficult times.

Thankyou
